

Nation Vision Statement Sample

Our Republic Nation Stands

To build safety and security for all people of this land with honor

To ensure homes for the people with prosperity and hope for the future

To protect our boarders for the peace and wellbeing of all

To protect all our natural resources and historical beauty for future generations

To treat all men equal and empower their future

To build economic trade relations with surrounding allied nations

To leave a nation's legacy for historical study

To be a paradise for tourism to empower our economy

To promote entrepreneurship within our people to dream

To help us all believe in our nation's future

Our declaration for the future:

Signed by all members and representatives
